Welcome to our Governors page which we hope will give you an insight into the work of the Governing Body and how we govern our school. In line with the Department of Education (DfE) guidance, we have reconstituted the Governing Body. This means priority is given to skills and experience governors bring to enhance and add value to the school. We believe this contribution makes our governors cohesive and effective in undertaking their duties.

The Governing Body of AL Falah is made up of Trustees, members of staff, members of community, and member of parents. The Management Body is finally responsible for all matters relating to the school including teaching and learning, safeguarding, health and safety, staffing, premises and ensuring financial accountability. We work closely with the head teacher to ensure that the school continues to improve and develop in all facets.

Our legal duties include:-

- setting strategic direction, policies and objectives
- approving the school budget
- reviewing progress against the school's budget and objectives
- appointing, challenging and supporting the head teacher

The full Governing Body meets at least once every term. We have set up sub committees who also meet termly to look at particular issues. These include:-

- Building, Finance, Health and Safety
- Staff and Pupil Welfare
- Achievement, Standards and Curriculum

If you have any other queries regarding school governance, please contact governors through the School Office.
