

Year 3

Spring

Curriculum

Overview

PHSE

In our **PHSE** lessons we are going to look at how to develop our school grounds. Children will not only be looking at how to develop our school grounds. Children will not only be used to initiate small-scale projects to improve one aspect of the school site, *eg putting in new plants and containers*, or larger-scale projects, *eg redeveloping of the school playground*.

Art

In our **Art** lessons this spring term we are going to explore investigating patterns in textiles from different times and cultures. They will use different artists and ideas from these as a starting point for developing their own designs.

Maths

Below is a list of the topics we will be covering in maths, this term.

Number, place value and money, Mental addition and subtraction, Written addition and mental subtraction, MEASURES/DATA Length, weight, bar charts, FRACTIONS, Number, place value and money, Mental addition and mental subtraction, Written addition and mental subtraction, MEASURES/SHAPE Time, position and direction, Mental multiplication and division, Mental multiplication and division.

PE

In our **PE** lessons children will be looking at invasion games. They will develop skills in finding and using space to keep the ball. They play with the same basic court set-up and rules, but use a range of equipment and skills, including throwing, catching, kicking and striking skills.

Science

Animals including Humans

We will find out about food groups & healthy balanced diets. Study the human digestive system & how food is transported around the body. Investigate skeletons & look closely at bones, joints & muscles & compare with animal skeletons. Discover effects of exercise.

ICT

In this unit children learn to use e-mail (electronic mail) to send and receive messages. They learn about communicating over distances and will need to consider and compare different methods of communication.

Geography

In our **Geography** lessons we will be learning about our local area! Children will explore their locality in terms of both home and school.

History

In our **History** lessons, we are going to be continuing with Ancient Egypt and learning how to make mummies.

Literacy

- Myths and legends – Greek Myths
- Stories about imaginary worlds
- Myths and legends – Arthurian legends
- Word level work
- Sentence level work
- Text level work.
