

Key Stage One Past Comparisons

Al Falah Primary School Results at Key stage 1 compared to National Averages 2014 to 2019

Percentage of children achieving expected grader above compared to schools nationally (from 2016 no levels).

SUBJECTS	2014		2015		2016		2017		2018		2019	
	School	National	School	National	School	National	School	National	School	National	School	National
Reading	84.2%	89%	94.2%	89%	88%	74%	100%	74%	100%	76%	83%	75%
GPS	87%	85%	94%	87%	100%	66%	86%	69%	80%	70%	83%	82% phonics
English	84.2%	87%	94%	89%	94%	70%	93%	72.5%	80%	70%	75%	68% writing
Maths	100%	86%	94.4%	87%	87%	73%	100%	75%	100%	76%	83%	76%

ANALYSIS:

The upwards trend from 2014 to 2018 Ks1 Reading, GPS, Maths and English as a whole we are consistently doing much better than national average. If we just compare the 2018 result we can see the huge gap and our children are 10% ahead in GPS, 24% gap in Reading

Similarly, 24% ahead in Maths. We are pushing for outstanding many years now and now the time we deserve to get an outstanding in teaching and learning.
