

Welcome to our *Governors* page which we hope will give you an insight into the work of the *Governing Body* and how we govern our school. In line with the Department of Education (DfE) guidance, we have reconstituted the *Governing Body*. This means priority is given to skills and experience governors bring to enhance and add value to the school. We believe this contribution makes our governors cohesive and effective in undertaking their duties.

As an Independent School all governors are appointed by the Al-Falah Education Trust serving a term of office of 4 years. There are 10 members on our *Governing Body*.

If you have any other queries regarding school governance, please contact governors through the School Office.
